Out and About With **Us**

Dear *Us* reader, It's not every day that **Tom Cruise** calls — with an invitation to visit his film set the next day! After a quick cross-country flight, *Us* movie editor Bradley Jacobs arrived on the Calabasas, California, set of *Mission: Impossible 3*. He got to see Cruise outrun a helicopter and dodge fake bullets under the direction of **J.J. Abrams** (*Lost*). Between takes, an assistant handed Cruise a cellphone. "It's Kate," she said of fiancée **Katie Holmes**. "Tom beamed as he spoke to her!" says Bradley.
